The business sponsorship package includes a sign in our gymnasium, website presence on the C.S. Lewis website and an ad in our basketball game program.

- **Signage**
A 2' x 3' gymnasium wall sign similar to the sign shown in the photo. The gym is our school's "living room" and is home to every large gathering of our campus community. Obviously, it is also the home of Watchmen athletics teams.

- **Website presence**
We will list your business among our sponsors on our website, including a rotational presence on our front-page as our "Featured Sponsor."

The business will also be noted on our overall sponsor page.
