REFERRAL CREDIT

Our current families can receive a \$500 tuition discount when they refer a new family to our school and the family enrolls in CSLA.

How does it work?

Any family whose student currently attends CSLA full time may either print out the referral coupon below or come by the CSLA campus office to pick up a hard copy. If the referred family enrolls, the referring family will receive a one-time \$500 tuition discount (for each family referred) after the new family has attended CSLA for three months.
